令和6年度春学期 学部履修登録スケジュール

College course registration schedule for spring semesters 2024

Time Schedule	Flow	Procedures
Before classes start on April	Plan a timetable	Check the requirements and other details of courses with course guides, web syllabuses, and timetables and create a timetable for courses you want to take.
Before classes start on April	Start provisional registration on YNU Learning Management System Check the steps of course registration for foreign classes on Website.	There is requisite information for taking courses on YNU Learning Management System. Log in the system, carry out provisional registration and check the course conduct before classes start. About the steps for registration of foreign classes, it differs from other classes, each faculty, and each academic year. Check manuals, 外国語 WEB 履修登録手引き and 外国語 WEB 履修登録スケジュール, uploaded on the log-in screen if you planned to take the classes. These manuals for spring semesters are uploaded on April 1.
After April 8 (Mon)	Classes start	Take classes in keeping with each class guideline on YNU Learning Management System. In case of too many applicants, there is a possibility that some students are rejected due to selection.
【Couse registration period】 9 a.m 11 p.m. April 8 (Mon) - April 19 (Fri)	Register profile Register Courses	Login to the Educational Affairs Information System using YNU-VPN Service and register for courses. Notes: Provisional registration on YNU Learning Management System is not formal registration. Follow the above steps for formal registration. Put in your profile when you access a screen for courses registration. The registration starts on April 5. Register courses as soon as possible because there is a possibility that it takes 1 hour to put in your profile completely. You cannot register courses without putting in your profile completely.
		Check a manual on the <u>log-in screen</u> about operation procedures for Educational Affairs Information System and cautionary note for YNU Learning Management System. The manual is uploaded on April 1. About the steps for registration of foreign classes, check manuals, 外国語 WEB 履修登録 録手引き and 外国語 WEB 履修登録スケジュール, uploaded on the log-in screen. Notes: Foreign classes are unapproved as a formal registration if you had not registered courses within this period even if you are assigned in advance or your applications are approved.
[Course registration check and correction period] 9 a.m 11 p.m. May 6 (Mon) - May 8 (Wed)	Courses are not registered as planned Rejected due to selection for applicants Registration errors due to incorrect timetable codes Did not register as re-enrollment courses Correct course registration Complete course	Login to the Educational Affairs Information System using YNU-VPN Service and check if courses are registered as planned. Correct course registration in this period if there are classes that have not been registered as planned, have rejected due to selection for applicants or have any errors. Notes: If you leave these errors, the courses are unapproved as formal registration and you miss grades. The steps for correcting course registration are the same as course registration. Check a manual, 学務情報システムニュアル for the procedure on the log-in screen.
[Couse cancellation period] 9 a.m 11 p.m. May 13 (Mon) - May 17 (Fri) [Couse cancellation period for the fifth term courses] June 24 (Mon) - June 28 (Fri)	Course cancellation period Complete Complete	If you want to cancel a course already registered, complete the cancellation procedure within this period. Login to the Educational Affairs Information System using YNU-VPN Service and cancel the course on the screen of course registration. If you have any registration errors, you cannot complete the cancellation procedure via the Educational Affairs Information System; you need to apply for cancellation at the office of your College within the cancellation period.
